

MAKE-UP CLASSES

To maximize learning we strongly recommend you attend your regular class each week, except when you are sick, we encourage you to stay home. Make-ups are a courtesy we offer you and are limited to space availability. Notice of absences must be made before student's regular class time by calling our office, leaving a voicemail or email message. Upon notification of absence, a token will be placed on your account to be used at a future Open Practice. Advanced registration is REQUIRED for ALL open practice make-ups. Please contact us for any extenuating circumstances that require multiple make-up options.

School-Year Schedule - Make-Up Open Practices will be held Fridays (1-2) and/or Saturdays (1-2) each month. A list of practice dates and times can be found on our Customer Portal News or the monthly newsletter on our website. A Coach/Instructor will supervise this activity, however, there will be no instruction during this time. This activity will be for actively enrolled students only, and other siblings or friends are not eligible to attend. Tokens do not expire and may be used during our School-Year or Summer Session schedules as long as the student is actively enrolled in a class at that time. As in our regularly scheduled classes, parents are welcome to view from the lobby area or leave the facility. If leaving our facility, please sign-out on the sign-out sheet located on the lobby desk just in case we need to get in touch with you. Students enrolled in Gym Tots, however, will be required to have one parent (only) participate with their tot.

2023 Summer Sessions (since we will be holding a Make-Up Open Practice in each session, tokens may NOT be used to attend Open Play Days.) **Please Note:** You may only use tokens on the student's account during the session your child is attending class. Tokens cannot be redeemed online, so please call our office to enroll in an Open Practice.
