

ARRIVALS AND DEPARTURES

Your child's class time is valuable! Please arrive punctually and have the children complete all self-care activities (bathroom breaks, grooming, eating) prior to class time. All recreational classes are held in the North Gym (unless otherwise specified on the class schedule).

Students must be escorted to and from classes by an adult. Our coaching staff arrive 15 minutes before class time. Any student(s) arriving earlier than 15 minutes before class time must have an adult with them until staff arrives. If you plan to leave the facility during your child's class time, you must complete the information on the sign-out sheets located at the front desk.

Please contact the office if you will be late to pick up your child. Children are instructed to inform an instructor or coach if an adult is not present to pick them up. Children will be instructed to wait in the gym or lobby area while staff attempts to contact the responsible adult.
